Retirees Bulletin

December 10, 2012

Attention: Florida Members of the Retirees Association of District Council 37

Dear Sisters and Brothers:

As you may know, the New York City headquarters of DC 37 (125 Barclay Street) sustained severe flooding and structural damage from Hurricane Sandy, resulting in the closing of the building until repairs are completed. The building is still SHUT DOWN, so please excuse our temporary mailing format. The national AFSCME Retirees in Washington, DC, is providing our printing and mailing services, a courtesy for which we are very grateful.

The Florida meeting schedule for January is on the reverse side of this letter, along with RSVP information. On a separate sheet, you will find RSVP coupons for the Central Florida and West Coast Subchapters only.

We look forward to seeing you at our meetings.

In Solidarity,

Caryle Linda Rosenblatt
