

DC 37 Child Care Survey

DC 37 Supports AFFORDABLE , SAFE, QUALITY CHILD CARE

- When DC 37 members have affordable child care they are able to manage their household budgets better.
- When DC 37 members have safe child care they are secure in the knowledge that their children are well cared for when they are at work.
- When DC 37 members have quality child care their children will be well prepared for school.
- When DC 37 members have affordable, safe, quality child care, ALL members benefit because

their co-workers can be present and productive members of the team.

- DC 37 is working to help members get all of these things but we can't do it without you.
- We need to lobby both the State and the City to insure that funds are available to support both child care and early learning sites such as Pre-K.

We need to talk with our friends, neighbors, co-workers and legislators to remind them of the importance of supporting efforts to provide safe, affordable, quality child care.
