

DC 37 Dental Plan

Complete List of Participating Panel Dentists

This listing is updated monthly. You must verify that the dentist is still participating in our plan at the time you call to schedule an appointment and when you receive your dental treatment.

If you use a participating oral surgeon, you may pay \$25 for the examination and \$40 for the panoramic x-ray at your initial visit.

You should file a separate claim for these procedures. Payment will be made to the member, based on the Plan's fee schedule, if the patient is eligible for the service, subject to frequency restrictions (every 6-months for an examination and every two (2) years for a panoramic x-ray).

If you use a participating periodontist, you will pay a \$10 per quadrant member co-payment for periodontal surgery. Co-payments are not reimbursed by the Plan.
