DC37 Health & Security Plan

Dear Member:

Disability claim forms received by our office are frequently delayed or returned to the member because they are incomplete. Your Claim May Be Delayed Or Returned Unless You Do The Following:

- Sign your claim.
- Give the phone number of your timekeeper/payroll/personnel department.
- Describe your illness.
- If you were involved in an accident, indicate how, when and where you were injured.
- Make certain your Social Security number/and or PID# is correct.
- Enclose a copy of your Marriage/Divorce/Separation papers if you have changed your name.
- Attach an explanation to your claim if it is filed 15 or more days after onset of your disability.
- Make sure you have a DC37 Health & Security Plan Enrollment Card on file.

The "Physician's Statement" section of the claim form is to be entirely completed and only by a licensed medical doctor.

You should not complete or alter any of the information in this section. Check particularly to be sure that your doctor includes dates of all treatments and expected duration of your disability.

If you leave your claim form with your physician, have him/her return the claim to you. This is recommended so you can review the form to ensure that it is completed properly before submitting it to the Plan office for processing.

If you have any questions, please call the above number.

Yours truly,

Eric Reid
